An Application & Enrolment Form into EMT-CREED Certificate course

Who We Are: Environment & Millennium Targets (EMT-CREED) is a Research, Learning & Development organization registered in Nigeria. With a reputation for high-quality and content rich learning programmes, research, publications and advisory services, EMT is a desirable learning provider and think tank for innovative, creative, inspiring and solution based studies in the field of environment & sustainable development, climate change vulnerabilities, impacts, mitigation and adaptation. EMT-CREED is an associate member of the International Federation of Training & Development Organizations (IFTDO) and a corporate member Nigerian Institute of Training & Development (NITAD).

We enjoy the patronage of several institutions, foundations and other partners around the globe. Through our core learning and research programmes we work across a wide range of sectors that have a direct impact on the well-being of the poorest and most vulnerable people in developing countries. In addition, EMT offers consultancy services that include learning, knowledge sharing, and the development and delivery of tailored training courses that targets organizations specific training needs. We do these through our expertise in communications, knowledge exchange, training and evaluation of performance.
